

Unleash the full potential of your PMO and drive the highest possible return on investment for your organization's strategy as quickly as possible.

## A Program That Fuels Your PMO's IMPACT

Known as the *IMPACT Engine PMO™ Implementation Program*, this is the only program of its kind that shows you exactly how to *build, run, and elevate your PMO* so you can finally earn your seat at the table. For over 25 years, our team has developed a proven system that always delivers.

## Why Your IMPACT Matters

In today's results-driven world, it's not enough to be good at your job – you need to be great at making an IMPACT. At PMO Strategies, *we're here to help drive measurable value to the business through high-IMPACT outcomes* – so there's no denying the clear-cut advantage you bring to the team. We have just the program for you.

## The IMPACT Engine PMO Journey

*Ready to make moves?* Here are the calculated steps our program will guide you through on your journey from outputs to IMPACT

**Each year, hundreds of PMO leaders build stronger PMOs and deliver greater value with our IMPACT Engine PMO system.**

“The IMPACT Engine PMO has given me the tools to move that project management needle in our organization. Laura is a fantastic coach who shared personal experiences and lessons learned in a way that's very relatable. The materials and support provided are priceless and I highly recommend the IMPACT Engine PMO program.”

**Leigh Hasty**

# Guided Program

The only program you need to take you on every step of the journey to build or elevate your PMO quickly and show tangible business value along the way.

You'll conduct a PMO and change assessment, build your PMO business plan, proposal, services menu, delivery road map, maturity model, metrics framework, organizational structure, and much more.

## PMO Deliverables

Create all of the deliverables you need to build, run, and manage the PMO while effectively communicating your value and results.

## Step-By-Step Guidance

Guided delivery model to take you through every step of the process using our Iterate Your Way to IMPACT delivery model.

## 40+ PDUs/CEUs

The training component of this program gives you 40 PDUs (10 Technical, 20 Strategic & Business Management, 10 Leadership).

## On-Demand Access

Videos, in-depth guidance, knowledge checks, worksheets, templates, and guided exercises to apply to your PMO at your own pace.

## Lifetime Access

One time payment for ongoing access and early access to new features and program updates including new guidance and resources.

## The IMPACT Driver PMO Leader Certification

### What Our Certification Can Do for You:

Help you differentiate yourself from your peers with the only certification that shows applied knowledge and PMO leadership proficiency.

Ensure you stay one step ahead with a certification exclusively given to students who have demonstrated their ability to apply the IEPMO framework in a real-world scenario.

“Being in the IMPACT Engine PMO program has made an absolute difference in my life in terms of the headaches and the pain that I would have experienced going it alone. I have no hesitation in recommending joining the program as early as you can because as we speak, time is running out for you. Laura and her team will help you make the IMPACT you need to make quickly.”

**Garfield Charles**

# Guided Program + Coaching and Membership

For the PMO Leader who wants hands-on support from top global industry experts every step of the way.

## IMPACT Driver Certification

The only certification of its kind designed to attest to your ability to deliver results.

## Inner Circle Membership

Targeted training, assessments, guidance, playbooks, and templates to accelerate delivery.

## Hands-On Support

Feedback on deliverables, guidance on stuck points, and coaching to keep you moving.

## PMO Playbook

Step-by-step guidance to support each iterative value delivery cycle.

## Live Coaching

Live virtual coaching meetings twice a month to learn from and with your peers.

## Coaching Platform

Get answers to your questions, feedback on deliverables, and collaborate on solutions.

## Spotlight Training

Top industry thought-leaders share their best advice and coach students in live training.

## PMO Software

PMO implementation planning software with templates to take you through each IEPMO program step.

## Network of Peers

Connect with PMO leaders in the IEPMO program, share wins, ask advice, and collaborate on deliverables.

## Personal Development

Utilize mindset, habits, tasks, KPIs, and other planning tools to maximize your personal effectiveness.

You can save yourself so much time and energy following this process if you are leading or a part of the PMO or building out project management capability. This just makes sense. Now, starting again in a new PMO leader role, I've never felt so confident! I know have everything I need to be successful in this new role right in this program.

**Andrea Cirelli**

## Our Money Back Guarantee

Our hope is that you're beyond thrilled with the results you see – but of course, you must actually do the work to know whether it worked! That's why in order to be eligible for our 30-Day Money Back Guarantee, we request proof that after doing the assignments and applying the teachings, the results still weren't there.
