

# IMPACT ENGINE SYSTEM™ CERTIFICATION

PMO Strategies is pleased to offer our exclusive IMPACT Engine System™ Certification program designed to differentiate you from the broader strategy delivery community by showing a commitment to the profession and demonstrating experience in helping organizations achieve their business goals.

This certification program is geared towards strategy delivery professionals who are implementing a strategy delivery organization as an employee or as a part of their own consulting practice.

Ideal if you are in or consulting for these or similar business functions:

- ✔ Program/Project Management Office
- ✔ Strategy Delivery Office
- ✔ Agile Transformation
- ✔ Business Transformation

# IMPACT ENGINE

## IMPACT ENGINE SYSTEM™

*Becoming certified will distinguish you and your ability to deliver strategic value amongst your peers and in the global PMO, Project Management, and Strategy Delivery communities.*

### IMPACT Engine System™ Certifications

Multi-level certifications designed for practitioners, coaches, and consultants to differentiate you among your peers using our phenomenally successful IMPACT Engine System™.

### IMPACT Accelerator Mastermind™

To support your learning and meet the requirements for certification, you will be a part of a group coaching and mastermind program designed to learn with your peers while you elevate your leadership capability - all while helping you get *and keep* a seat at the leadership table in your organization.

# IMPACT Engine Accomplishments

*Proof that you can help your organization make a bigger IMPACT.*

Awarded to program participants who have completed the IMPACT Engine System™ implementation program which helps PMO and strategy delivery leaders stand out from their peers with a step-by-step implementation program designed to create game-changing business leaders capable of driving measurable business value.

Awarded to program participants who have completed the IMPACT Engine System™ optional case study exam after completing the foundational program. The badge holder has proven their ability to apply the IMPACT Engine System™ in a real-world scenario.

Awarded to program participants who have completed 1 year in the IMPACT Accelerator Mastermind™ group coaching program by participating in live coaching sessions from industry thought leaders and engaged with their peers to learn and grow as a community.

A certification awarded to to leaders working inside an organization in a PMO, strategy delivery office, or other business transformation function that have proven their ability to apply the IMPACT Engine System™ in a real world scenario.

A certification awarded to consultants and coaches advising or delivering strategy delivery services to other organizations that have proven their ability to apply the IMPACT Engine System™ in a real world scenario one or more times.
