

IMPACT ENGINE SYSTEM™

The all-in-one training and implementation program to build or elevate your PMO or transformation team, accelerating both business outcomes and your career success

The IMPACT Engine System™ guides you step-by-step through building, running, and optimizing your PMO, transformation, or strategy delivery team to achieve high-IMPACT results. With on-demand resources, templates, and a complete strategy delivery framework, you'll be equipped to deliver measurable business value from day one while building your personal influence and IMPACT.

END-TO-END GUIDANCE

-  **Resources to Guide the Process:** Templates, deliverables, and case studies to immediately apply your learning
-  **40+ PDU/CEUs:** Earn 40+ training PDUs in essential skills areas and plenty more for applying your knowledge
-  **Lifetime Access:** Unlimited, ongoing access to the program and materials, including updates and new features
-  **Real-World Expertise:** Learn the exact system PMO Strategies uses with their own clients and students around the world
-  **On-Demand Resources:** Go at your own pace with videos, worksheets, step-by-step guidance, and templates at every step
-  **Case Study Workbook:** Apply what you're learning with our case study examples to practice your knowledge between roles
-  **IMPACT Engine Book:** Get digital access or upgrade to the Mastermind for a personalized signed hardcover
