PROGRAM OVERVIEW

This hands-on 4-session virtual workshop takes you through the proven six-stage system featured in the best-selling book *The IMPACT Engine* and prepares you for the post-workshop certification.

The Six Stages of the IMPACT Engine System™

Mindset

Adopt a strategic mindset that connects action to IMPACT.

Assess

Discover the real business problems you can address.

Define

Design the right services for maximum value delivery.

Plan

Build your IMPACT roadmap for measurable results.

Deliver

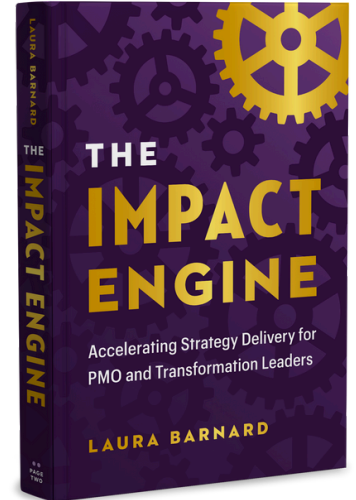

Execute with agility while guiding teams through change.

Evolve

Sustain success and grow your IMPACT and influence.

Who Should Attend

- 💡 PMO Analysts & Coordinators
- 💡 Project / Program / Portfolio Managers
- 💡 PMO Leaders & Heads of Transformation
- 💡 Strategy and Change Leads
- 💡 Your High-Potential Future Leaders

This is the clarity and confidence I've been looking for to drive more business value with my PMO.
